

DRESS CODE

SHIRTS

Students are to wear long or short sleeve NW-REI button down shirts. For safety reasons and to establish a professional appearance, shirts must be tucked in and buttoned at all times. The collar button is the only one that does not need to be fastened. All shirts must be wrinkle free. Undershirts need to be one neutral color with no visible writing. A tan NW-REI T-shirt is acceptable to wear while in the yard. **You can purchase your uniform shirts through the admissions page of www.nw-rei.com (we recommend 3-5 shirts per student).**

OUTERWEAR

Outerwear may be worn when entering and exiting the building and classes. Outerwear in the classroom is subject to instructor approval. NW-REI sweatshirts are preferred. Outerwear must be professional. During foul weather conditions, rain gear is recommended. **IAHA name badge is required and may be worn with a lanyard.**

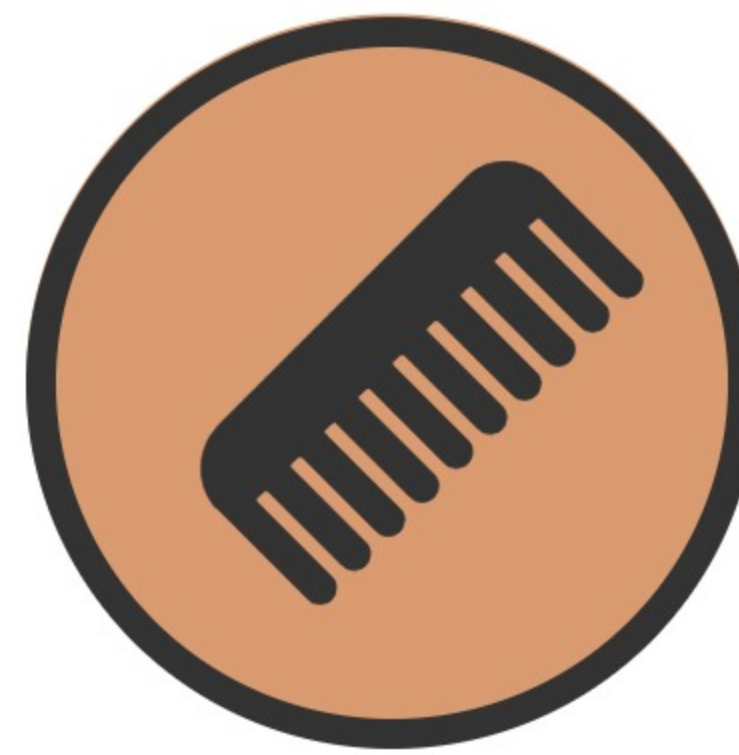

HATS

Hats may not be worn in the classrooms. When outside the classroom, an official NW-REI hat may be worn. Hats shall be worn properly with the brim directly in the center of the wearers head, facing forward.

PANTS

All students are required to wear blue jeans or blue cotton work pants. Pants may have pockets on the legs. All pants must be worn at the waist; baggy pants are not allowed. Pants should be free of holes and worn spots. Belts are recommended and must be a solid color and have a standard size buckle.

ACCESSORIES AND GROOMING

When working with equipment, all jewelry and accessories should be removed or left at home. Gauges, loops or plugs must be removed from ears, however, flesh colored plugs are acceptable. Hair must be clean and neat. Long hair that presents a potential hazard must be tied back. Nails should be a conservative length.

BOOTS

Students must wear leather safety-toe boots with socks at all times. The boots must cover the ankle (4-6 inch rise preferred) and have a heel of .5 inches or larger for climbing. Safety toe boots must be ASTM/ANSI rated. Although it is preferred that boots are obtained prior to the first day of class, students are required to wear safety-toe boots by the end of week two.
