

SUPPLY CHECKLIST

To make your transition back to school a little easier, we have put together a list of supplies. Please make sure to purchase these items for your program and let us know if you have any questions.

Basic Supplies

- Pens
- Highlighters
- Pencils, Erasers, Pencil Sharpener
- Scientific Calculator (Texas Instruments model TI-30XA is preferred - about \$12)
- Backpack (separate PPE bag is optional - see below)
- Notebook Paper
- 3 Inch 3-Ring Binders (Qty. 1-2, may need additional later)
- 200 Index Cards for Flash Cards (may need additional later)
- 26 tabbed dividers
- 4GB (or larger) USB Flash Drive
- Technician logbook—recommended (small pocket notebook or similar also acceptable)
- ANSI/ASTM Rated Safety Toe Boots, must be above the ankle and lace up (see Dress Code for additional requirements)
- Optional: Laptop/Chromebook

Personal Protective Equipment (PPE)

PPE is included in the cost of your tuition.

The PPE included in your tuition is listed below. If you wish to bring more than what is provided, these additional items must be approved by your instructor. If your personal item is not approved, you will be required to purchase the available item through the approved vendor. Cold Weather and Rain Gear are highly recommended and are not included in your tuition. See Dress Code sheet for further information.

- Hardhat (no personal hardhats will be allowed)
- Chinstrap for Hardhat
- Clear Safety Glasses
- Chums (required for safety glasses)
- Work Gloves
